## NEWS OF THE PASZALEKS' MINISTRY AT MOFFAT BIBLE COLLEGE IN KIJABE, KENYA

MARCH, 2007

### HOME IN KIJABE

Praise God! Pre-assignment orientation is DONE! We learned a lot but are grateful to be settled in one place after living out of a suitcase for so long. The little house in the first picture is our home until August when our new house is finished. It is in the back yard of the Moffat administration building, has three bedrooms, and you can heat the whole place with one match. But it is home for now and the commute is really short. Johanna is now living with us instead of in the dorm. She's happy about that. (By the way, she got high honors last term. Rift Valley Academy has been very good for her.) Please thank God with us for His faithfulness to us.

The second picture shows the progress on our new house as of a few days ago. Today they started on the gables; work is progressing very quickly. We walked through the house a few days ago and I'm getting excited about it for the first time. We are still short on the amount for our house. We have three teams coming to help with the house in the next three months; that will help with the cost of the house, but currently we are still about \$5,000 short. So close! Praise God!!! (and keep praying please!)

You can see the current pictures of our house and the latest news and pics of our lives on our new blog:

Keep up with Kevin and Linda's day to day experiences with our blogs:  
<http://www.missiontriptools.com/Kenya/Kevinsblog.html>  
Kevin's blog is online now. Linda's will be coming very soon.

Speaking of keeping up to date, there are many of our friends who have not yet signed up for our new newsletters. Please pray that we can solve any communication problems and get back in touch!

More Praise: In the time we have been here we have seen quite a number of people come to the Lord through our ministry (in partnership with others). We are so grateful He used us in this way.

More Prayer: I am creating syllabi and class outlines for my classes: Life of Christ and Survey of World Church History. We only have 17 days of classes in which to cover every continent from AD 33 to today, so I call it "Around the World in Seventeen Days"! Please pray for me for wisdom as I decide what to include in the course that will speak to the students lives!

**KEEP LETTING US KNOW HOW WE CAN PRAY FOR YOU!! IN OUR LORD, PASZALEKS**
